发展历史 | The History

1981 – 1993

1979年，伴随着改革开放的春风，中国当代广告业迅速兴起，中国对外贸易广告首当其冲。我国投入出口商品广告宣传费十年间增长了十多倍；有外贸广告经营权的广告公司也从仅有1家发展到近50家。在这种大背景下，中国第一个全国性广告行业组织 --- 中国对外贸易广告协会（简称外广协，今中国商务广告协会）诞生。这一时期，外广协的主要任务是服务于出口贸易，推动生产，加强商品的对外广告宣传，并为此不断加强理论和实务建设。这期间，为了让世界经济贸易界、广告界了解中国，让中国了解世界，发挥广告在促进经济发展中的作用，外广协与英国《南方》杂志于1987年6月16-20日在北京人民大会堂共同举办了“第三世界广告大会”，

这是中外广告人共同谱写的重要历史事件，大会受到国内外各界的广泛关注，中国国家主席李先念接见了全体中外代表。

Starting from the year of 1979, the China contemporary advertising industry grew up rapidly with the reform and opening of the China market. The advertising growth of China foreign trade boomed up out of the norm. During these 10 years, the advertising cost China spent on its export commodities increased by ten times than that of the previous 10 years. The number of agencies qualified to do advertising for foreign trade also increased from 1 to nearly 50. Under this kind of circumstances, the former entity of today' s China Advertising Association of Commerce, China Advertising Association of Foreign Economy and Trade was born as the first national association of advertising industry. In this stage, the main task for the Association was to serve the trade of export, to help increase production and to enhance the advertising for export goods and meanwhile, to continuously build up and consolidate the advertising industry from both theoretical and practical aspects. During this period of time, in order to make China known in the global circle of economy, trade and advertising, and to have China get to know the world, moreover, to strengthen the advertising role in the economy development, CAAFT jointly held the Third World Advertising Congress together with South Magazine at the Great Hall of People in June 16 - 20, 1987 in Beijing. This was an important historical event made by the Chinese and the world advertising men. The congress attracted vast attention of its peer from both domestic and worldwide. Li Xiannian, the Chairman of the People' s Republic of China, received all delegates from both domestic and abroad.

1994 – 2004

这期间，中国广告业进入稳步发展期。中国的《广告法》正式实施，企业的市场营销，消费者的品牌意识逐步被认知，广告创作与传播走向兴旺和成熟，外资开始大步进入中国。1994年外广协首创举办了“国际广告新媒体、新技术、新设备、新材料展”；1995年与中国传媒大学（北京广播学院）联合推出第一部有关城市消费者行为和生活形态的年鉴《1995IMI消费者行为和形态年鉴》；1996年首次引进“广告饕餮之夜”；1997年买断美国《广告时代》中国版权；2004年与中国传媒大学（北京广播学院）、IAI国际广告研究所共同编撰出版中英文版文献史书《中国广告猛进史1979-2003年》和《中国营销25年》。

In this decade, China advertising industry entered the stage of stable development. The Advertising Law was officially put into effect. Local enterprises and consumers obtained more marketing sense and brand perceptions. The creativity and communication of advertising moved towards thriving and matured. Foreign investments into China market began to speed up. In 1994, CAAFT initially held the exhibition on New Media, New Technology, New Equipment and New Materials of International Advertising. In 1995, together with the Communication University of China (previously named Beijing Broadcasting Institute), CAAFT released the first yearbook on the urban consumer behavior and life style which is named "1995 IMI Yearbook on Consumer Behavior and Lifestyle". In 1996, CAAFT introduced "The Night of The Ad Eaters" for the first time. In 1997, CAAFT bought out the exclusive right of "Adverting Age" to China. In 2004, jointly with the Communication University of China (Beijing Broadcasting Institute) and IAI (International Adverting Institute), CAAFT edited and published the historical literature "The Accelerated Growth of China Advertising History 1979 – 2003" and "The China Marketing in 25 Years" in both Chinese and English versions.

2005 – 2015

随着国家政府机构改革，经商务部和民政部批准，外广协更名为中国商务广告协会。这一时期的主要工作是围绕商务部和企业品牌建设。2005年12月在商务部支持下，商广协主导下和业界有影响力的人士积极努力下，由“一流服务，一流创新，一流实力，一流诚信”的合资、独资及中国本土综合性广告公司为主成立了行业高端组织——中国商务广告协会综合代理专业委员会（以下简称“4A”）。4A是商广协首个分支机构，其宗旨是
